

AIDS Services Foundation invites you to participate in the Adopt-A-Family Program!

The Adopt-A-Family Program is extended to children who are either infected or affected with the AIDS/HIV virus. With the onset of illness and its affects, many of the children are destined to grow up at an accelerated rate, becoming not only parent and homemaker but also caretaker as well. The Adopt-A-Family Program is designed to provide a little extra holiday cheer for those children dealing with the stresses of this disease. Each eligible child has a \$50.00 cap with a choice of three items for their "Wish List". If you are interested in sponsoring any of our families please fill out and return this request form by November 3, 2006. All unwrapped, gift donations must be delivered to ASF by December 1.
